

All drawings and technical documents for the manufacture of the goods or parts thereof, which the Party submitted remain the transferring Party's (intellectual) property. These may not, without the written consent of the Party (owner of the intellectual property), be used by the receiving Party, copied, reproduced, or otherwise disclosed to a third party.

Very Important

The neck dimensions shown are those which have generally been found to be functional but each closure/finish system should be individually evaluated. Neck finishes having dimension outside these ranges can also be appropriate for use, therefore the bottle neck drawing is only a recommendation.

This recommendation is for following closures: 32ND, 32NDO
